WORDS OF WELCOME

BY THE CONGRESS CHAIR

Dear colleagues,

It is my great honour to invite you to the 36th Annual EANM Congress on behalf of the European Association of Nuclear Medicine. This year’s event will be held in Vienna from 9 to 13 September.

We are able to meet in person again for this edition of the EANM Congress, meaning we will enjoy the fantastic science and face-to-face interchange the occasion offers while also continuing to bolster our growth as a specialist community.

Our present is bright, and our future is even more promising. Our relevance for diagnostics and therapy continues to increase, new tools and tracers have been established, and ongoing research and innovation are consistently providing fresh solutions for validation and testing. The number of joint projects with other disciplines and societies continues to grow with more and more communities recognising the important help that Nuclear Medicine can provide their patients and in answering their questions. This is the main reason for the unusual date of this year’s EANM Congress, as we wanted to avoid clashing with a major event with whom we have a big overlap in participants and industry involvements. We plan to return to our usual mid-October dates in 2024.

The number of visitors to the Congress continues to rise year after year with the 2022 edition of the event welcoming an unprecedented 7000 participants. The many innovative features you discovered and liked in Barcelona last year will be present once more, including sessions specifically devoted to exchange and discussion. Please prepare your questions across the year and get ready to challenge our experts during the Congress! We want to make sure that you return home with input and suggestions that allow each and every one of you to contribute to the success of our field in your daily work.

Needless to say, we should not simply sit back and enjoy our success. We must continue to provide convincing evidence of the positive impact our chosen field has in a complex world of limited resources, meaning we should constantly strive for a more efficient, accessible and sustainable Nuclear Medicine. This year’s scientific programme will help you deal with such issues thanks to superb material combined with multidisciplinary sessions. And as we know that fun helps foster collaboration and cooperation, some of them will also be uniquely entertaining. On top of this, we hope for your numerous contributions and input via the abstract submission, which is now open. Share your work with the nuclear medicine community!

We have prepared content that will maximise opportunities for exchange and networking for all those who travel to Vienna for EANM’23. On the other hand, we still want to reach as large an audience as possible, just as virtual congresses have done, including anyone that cannot make it to Vienna for this year’s congress. For this reason, selected content will also be made available online and will remain accessible afterwards so that everyone can benefit from it in a way which fits around each individual’s schedule.

In summary, we are working to provide you all with a special, first-rate congress tailored to your needs and wishes. Join us and savour every moment of it!

Valentina Garibotto
EANM Congress Chair 2023–2025
EANM BOARD

The Board is the highest executive level of the speciality, creating and safeguarding the EANM’s vision to help the specialty continue to thrive.

Promoting scientific excellence is one of the cornerstones of the EANM’s strategy that is proudly showcased at the annual congress.

RUDI A.J.O. DIERCKX
PRESIDENT 2023–2024
We are growing to serve the needs of our community. EARL provides unparallel support for tomorrow’s research needs with today’s molecular imaging data.

**EARL NOW OFFERS:**

- $^{18}$F for PET/CT and PET/MR;
- $^{68}$G, $^{89}$ZR, and $^{18}$F/$^{11}$C Brain HARMONISATIONS
**ORDER NOW:**
**ABX reports ready to order online**

**AVAILABLE SOON:**
**CUP Laboratories reports**

## SCIENTIFIC PROGRAMME

### PLENARY SESSIONS

The Plenary Sessions are the most prestigious sessions of the EANM and organised by the Congress Chair. Each Plenary covers a different topic and will put a spotlight on the different aspects and points of view.

As last year the Highlights Lecture (Plenary 1) will take place during the Opening Ceremony on Saturday evening – pointing out the most interesting sessions and hot abstracts, so you do not miss them in the following days.

CME SESSIONS

Continuing Medical Education will span over all days of the EANM'23 Annual Congress, and the EANM has applied again for the European CME credits (ECMEC®s).

1. Sunday, September 10, 2023 | 08:00–09:30 | Hall A
   Inflammation & Infection Committee
   Infection and Inflammation – New Guidelines

2. Sunday, September 10, 2023 | 09:45–11:15 | Hall A
   Translational Molecular Imaging & Therapy + Oncology & Theranostics + Radiopharmaceutical Sciences Committee
   FAP – Moving Towards Therapy

3. Sunday, September 10, 2023 | 15:00–16:30 | Hall A
   Cardiovascular Committee
   Nuclear Imaging in Cardiac Amyloidosis – What Else?

4. Sunday, September 10, 2023 | 16:45–18:15 | Hall A
   Oncology & Theranostics Committee
   Update in Multiple Myeloma

5. Monday, September 11, 2023 | 08:00–09:30 | Hall A
   Oncology & Theranostics Committee
   Will the Microenvironment Become Even More Important in Nuclear Medicine?

6. Monday, September 11, 2023 | 09:45–11:15 | Hall A
   Dosimetry Committee
   Understanding Radiobiology for Dosimetry-guided Molecular Radiotherapy

7. Monday, September 11, 2023 | 15:00–16:30 | Hall A
   Thyroid + Dosimetry Committee
   New NM Guidelines of Benign Thyroid Disease

8. Monday, September 11, 2023 | 16:45–18:15 | Hall A
   Oncology & Theranostics Committee
   Assessing Response to Peptide Receptor Radionuclide Therapy in Patients with Neuroendocrine Tumors

9. Tuesday, September 12, 2023 | 08:00–09:30 | Hall A
   Bone & Joint + Physics Committee
   Current Bone SPECT/CT (including 360 CZT)

10. Tuesday, September 12, 2023 | 09:45–11:15 | Hall A
    Radiation Protection + Paediatrics Committee + Women’s Empowerment Task Force
    Radiation Protection in Motherhood and Childhood – What is so Special?

11. Tuesday, September 12, 2023 | 15:00–16:30 | Hall A
    Paediatrics Committee
    Pediatric Lymphoma and Update on FDG

12. Tuesday, September 12, 2023 | 16:45–18:15 | Hall A
    Physics + Oncology & Theranostics + Translational Molecular Imaging & Therapy + Technologists Committee
    Long Axial Field-of-View PET Scanners – A Copernical Revolution

13. Wednesday, September 13, 2023 | 08:00–09:30 | Hall A
    Translational Molecular Imaging & Therapy + Oncology & Theranostics + Radiopharmaceutical Sciences Committee
    Diagnostic Imaging and Theranostics in Breast Cancer – Old Targets, New Tracers

14. Wednesday, September 13, 2023 | 09:45–11:15 | Hall A
    Neuroimaging Committee
    Modern Imaging of Paediatric Epilepsy
# SPECIAL TRACK

The Special Track is a new feature within the scientific congress programme, implemented only last year. The track will take place in a hall with a special setup, avoiding frontal lectures. The audience is invited to take part interactively in the discussions.

The Track programme consists of Debates between experts, Challenge the Expert Sessions (where residents discuss with experts), and Round Table discussions. The new EANM Sanjiv Sam Gambhir Awardee will be also assigned here in a dedicated session – but first, the candidates have to prevail against the other nominees during this session.

We are looking forward to meeting you during the special track sessions!

### Special Sessions

| **1** | Sunday, September 10, 2023 | 16:45–18:15 | Hall G1 |
| **1** | | | EANM/EARL |
| **1** | | | Harmonisation and Accreditation accelerate Research and Clinical Translation |
| **2** | Monday, September 11, 2023 | 08:00–09:30 | Hall F2 |
| **2** | | | Inflammation & Infection Committee |
| **2** | | | Usefulness of PET in the Evaluation of Inflammatory Rheumatisms |
| **3** | Tuesday, September 12, 2023 | 09:45–11:15 | Hall G1 |
| **3** | | | EANM / EJNMMI |
| **3** | | | You, the EANM and the EJNMMI |
| **4** | Tuesday, September 12, 2023 | 08:00–09:30 | Hall G1 |
| **4** | | | Lung Scintigraphy for Pulmonary Embolism Diagnosis and long term Management |

### EU Policy Symposia

| **1** | Tuesday, September 12, 2023 | 15:00–16:30 | Hall G1 |
| **1** | | | Policy & Regulatory Affairs Committee |
| **1** | | | Supply & Shortages of Radiopharmaceuticals |
| **2** | Tuesday, September 12, 2023 | 16:45–18:15 | Hall G1 |
| **2** | | | Policy & Regulatory Affairs Committee |
| **2** | | | Regulatory Challenges of Radiopharmaceuticals |
## LEARN & IMPROVE PROFESSIONAL SKILLS (LIPS) TRACK

The former Pitfalls & Artefacts Session and the Teaching Sessions are now combined in the LIPS Track. Renowned specialists will present interesting cases with challenging questions and findings to improve your skills. The sessions of this track are planned to be interactive.

CLINICAL ONCOLOGY TRACK

Oncology is the blockbuster of our daily clinical life. And it is constantly changing. We welcome you to attend the Clinical Oncology Track to stay up to date and be able to provide innovative, oncological care to our patients. If you need any motivation: to improve patient care, it is of utmost importance to stay ahead of the curve and be informed what are the most important scientific developments. Therefore come to EANM’23 and visit the Clinical Oncology Track which assembles the best submitted abstracts in the field of Oncology.

Ken Herrmann, EANM Oncology & Theranostics Committee

CUTTING EDGE SCIENCE TRACK

The track aims to bring together all of the disciplines concerned with physics, dosimetry and radiobiology and to provide attendees with the most cutting-edge innovations in these fields.

Medical physics is a complex specialty which covers a broad range of areas ranging from the development of new detectors/imaging equipment to image reconstruction and quantification, dosimetry, tracer kinetics, radiobiology and radiation protection. Today’s new challenges include the integration of Artificial Intelligence (AI) into most of these technical areas, as well as eventual implementation in clinical practice. One major objective is to enhance the interaction between all of these disciplines, given their prominent role within the field of Nuclear Medicine by promoting a deeper interdisciplinary scientific discussion. Consequently, there will be more so-called Featured Sessions which combine invited speakers and abstract presenters.

The EANM Committees of Dosimetry, Physics, and Radiation Protection will coordinate the scientific programme for the meeting jointly with the support of the Congress Chair.

We are looking forward to welcoming you to EANM’23. Be part of it!

Jonathan Gear, EANM Dosimetry Committee
Dimitris Visvikis, EANM Physics Committee
Jens Kurth, EANM Radiation Protection Committee

M2M TRACK

M2M – The 10th ‘From Molecule to Man’ Track, covering translational developments in Imaging and Therapy will take place during the 36th Annual Congress of the European Association of Nuclear Medicine.

Since 2014, the M2M sessions have constituted one of the main pillars of the programme of the EANM Annual Congress. With the M2M Track the EANM aims to actively stimulate multidisciplinary interplay between the various scientific disciplines concerned with molecular/nuclear imaging and therapy. By providing a platform for a wide range of scientific and medical aspects, M2M sessions have succeeded in attracting scientists (e.g. radiochemists, physicists and biologists), industry representatives and clinicians alike. With that, a successful stepping stone for translational science has been established.

The M2M Track comprises a series of invited speaker sessions and proffered paper sessions, all of which have the aim of connecting fundamental research with unmet medical needs and vice versa.

The EANM Committees for Translational Molecular Imaging & Therapy and the Radiopharmaceutical Sciences Committee jointly coordinate the scientific programme of the M2M Track, while the EANM Executive Office handles organisational matters.

We hope you will enjoy the sessions of the M2M Track 2023!

Fijs van Leeuwen, EANM Translational Molecular Imaging & Therapy Committee
Johnny Vercauillie, EANM Radiopharmaceutical Sciences Committee
Dear colleagues and friends,

It gives me great pleasure to invite you to the 36th EANM Annual Congress in Vienna, on behalf of the European Association of Nuclear Medicine Technologists Committee.

The last Congress was the first to take place on-site in three years, and I am still hugely grateful for its success and your involvement as EANM members and congress attendees. Much more will be delivered at the EANM’23 Annual Congress, where we will once again be able to meet face to face and take advantage of the vital social aspect that such occasions offer.

As the Chair of the Technologists Committee, I would like to thank you for your kind acknowledgement of our efforts as well as your precious words of encouragement with respect to the further improvement of the Technologists’ Track.

The Technologists Committee is organising a full programme, the Technologists’ Track, which is not only dedicated to technologists but also any aspect of the nuclear medicine field. Every year, top professionals from each area present the most relevant content to you in accordance with the most recent scientific communications.

Several topics will be discussed during the upcoming Technologists’ Track to furnish you with the cutting-edge knowledge you require from the field of Nuclear Medicine. These include head and neck updates, prostate cancer theranostics, radiotherapy planning using PET-CT & PET-MR modalities, and the all-important patient care in Nuclear Medicine. And this is just a small sample of the excellent content we have prepared for you. Furthermore, an opening session dedicated to the launch of our yearly publication, the Technologists’ Guide, is being prepared. Finally, we hope that three practical mini-courses will improve your skills and provide additional and valuable professional experience.

The relevance of your work will be acknowledged during the e-poster and oral presentations which are always included as part of our programme. As in recent years, we expect these sessions to be of very high quality and offer useful means to promote and share knowledge. As an additional motivating factor, an award will be given to the best oral and e-poster presentations.

You can always catch up with the Technologists Committee members during the Congress to discuss your concerns, ideas and needs. We are always ready to listen to the people we actually work for – you.

Agata Pietrzak
Chair, EANM Technologists Committee
TECHNOLOGISTS’ TRACK

The Technologists Committee places a massive effort into delivering the most up-to-date and highest-quality educational initiatives. All sessions of this track are aimed specifically at the technologist audience.

PLENARY SESSIONS
1. Saturday, September 9, 2023 | 18:35–19:35 | Hall A
   Highlights Lecture
2. Sunday, September 10, 2023 | 11:30–13:00 | Hall A
   New Imaging Techniques – Jump Aboard or Watch and Wait (incl. Marie Curie Lecture)
3. Monday, September 11, 2023 | 11:30–13:00 | Hall A
   Radiotheranostics: What’s New?
4. Tuesday, September 12, 2023 | 11:30–13:00 | Hall A
   Diagnostic Imaging: Proven Beyond Doubt?

CTE SESSIONS
1. Sunday, September 10, 2023 | 08:00–09:30 | Hall K
   Technologists’ Guide launch – Gastro Intestinal Molecular Imaging Studies
2. Sunday, September 10, 2023 | 09:45–11:15 | Hall K
   Head and Neck Molecular Imaging – Updates and Perspectives
3. Sunday, September 10, 2023 | 16:45–18:15 | Hall K
   Patient Care in Nuclear Medicine
4. Monday, September 11, 2023 | 09:45–11:15 | Hall K
   Prostate Cancer Theranostics
5. Monday, September 11, 2023 | 16:45–18:15 | Hall K
   Technologists & Thyroid Committee
   Cardiac Inflammatory Disease
6. Tuesday, September 12, 2023 | 08:00–09:30 | Hall K
   Technologists Committee
   Extravasation Incidents Management
7. Tuesday, September 12, 2023 | 15:00–16:30 | Hall K
   Technologists Committee
   Molecular Thyroid Imaging - Qualitative and Quantitative Approaches
8. Tuesday, September 12, 2023 | 16:45–18:15 | Hall K
   Technologists & Thyroid Committee
   Gynaecological Studies

IN ADDITION TO THE CTE SESSIONS THE TECHNOLOGISTS’ TRACK INCLUDES 3 MINI COURSES:
1. Wednesday, September 13, 2023 | 08:00–09:00 | Hall K
   Technologists Committee
   Radiotherapy Planning Using PET/CT and PET/MR
2. Wednesday, September 13, 2023 | 09:05–10:05 | Hall K
   Technologists Committee
   AI in the Technologists Practice
3. Wednesday, September 13, 2023 | 10:15–11:15 | Hall K
   Technologists Committee
   Phantoms Management

TECHNOLOGISTS’ ORAL PRESENTATIONS
1. Sunday, September 10, 2023 | 15:00–16:30 | Hall K
   Technologists Committee
   SPECT-CT in Diagnosis and Therapy
2. Monday, September 11, 2023 | 08:00–09:30 | Hall K
   Technologists Committee
   All about PET-CT!
3. Tuesday, September 12, 2023 | 09:45–11:15 | Hall K
   Technologists Committee
   NM Technologists: Competencies and Training

TECHNOLOGISTS’ e-POSTER PRESENTATIONS
1. Monday, September 11, 2023 | 15:00–16:30 | Hall K
   Technologists Committee
   Technologists’ e-Poster Presentations Session
The Industry Exhibition will be located on the ground floor and level -2. It will give you an extensive overview of the latest achievements concerning pharmaceuticals and radiopharmaceuticals, as well as state-of-the-art technical equipment. Booksellers and publishers will display the most recent publications in the field of Nuclear Medicine and related sciences.

**OPENING HOURS:**

- **Sunday, September 10, 2023:** 09:00–17:00
- **Monday, September 11, 2023:** 09:00–17:00
- **Tuesday, September 12, 2023:** 09:00–17:00

1. Physician or other scientist in training up to the age of 38 (maximum age on September 9, 2023). For Junior Non-Members: confirmation letter (in English) incl. signature of the Head of the Department and a copy of passport showing date of birth is indispensable for proof of status (please e-mail the EANM Executive Office at the time of your registration to registration@eanm.org).

2. Nurse, healthcare technologist or laboratory technologist, being employed in a respective current professional occupation. A confirmation letter (in English) incl. signature of the Head of the Department is indispensable for proof of status (please e-mail to the EANM Executive Office at the time of your registration to registration@eanm.org).

3. Only members who have paid the full amount of their membership fee for the year 2023 by May 31, 2023, will benefit from the reduced ‘Member’ registration fee.

4. A Student without any academic degree up to the age of 26 (maximum age on September 9, 2023), even if a degree has been achieved in a completely different field and/or has no relevance to the current professional occupation. Only persons starting their academic journey, meaning not holding any B/A/BSc or MA/MSc titles, are eligible for a free EANM student membership. A Confirmation letter (in English) incl. signature of the Head of Department and a copy of passport showing date of birth are indispensable for proof of status (please e-mail to the EANM Executive Office at the time of your registration to registration@eanm.org). Students already holding an academic degree (and not older than 38 years of age on September 9, 2023) must register as Juniors!

5. A Person accompanying a registered participant. Access granted only to the Opening Ceremony/Welcome Reception on Saturday and to the Closing Ceremony/Farewell Cocktail on Wednesday, and only in accompaniment of the registered participant. No access is granted to the exhibition or any scientific sessions during the congress days.
REGISTRATION INFORMATION

DELEGATE REGISTRATION FEES INCLUDE:

» Access to all scientific sessions
» Access to e-Poster Area and Review Centre
» Access to the industry exhibition
» Abstract book (online)
» Congress certificates (online)
» Final Programme (online)
» Opening Ceremony and Welcome Reception – Saturday, September 9, 2023
» Closing Ceremony and Farewell Cocktail – Wednesday, September 13, 2023

If the full amount of your advanced registration fee has not been received on the below mentioned bank account by August 29, 2023, the on-site registration fee will automatically become effective. Therefore, we strongly recommend paying last-minute registrations via credit card only!

PAYMENT OF REGISTRATION FEE

Registration fees are to be paid in Euro (€)
» either via bank transfer to:
  Account owner: EANM – European Association of Nuclear Medicine
  Account name: EANM - Registration
  IBAN: AT67 1182 2304 6101
  BIC: GBAATWXXX
  Bank: Erste Bank, Taborstrasse 26, 1020 Vienna, Austria

Please do not forget to indicate your name and order number on the transfer order! A confirmation e-mail will be forwarded to you as soon as we have received full payment.

» or via credit card online:
  Visa and MasterCard only. Diners Club and American Express are not accepted! A confirmation e-mail will be forwarded to you as soon as you have completed your registration.

BANK TRANSFER CHARGES

All bank charges for the transfer service must be paid by the participant. Open amounts must be settled before receiving a congress name badge.

LATE PAYMENT

Fees that have been forwarded too late may not have been credited to the congress account when the meeting starts. To avoid double payment, please make sure to bring a copy of your receipt/bank statement.

Please note:
Down-payments cannot be accepted.

ON-SITE PAYMENT

On-site registration is possible only via credit card payment. No cash payments will be accepted.

NAME BADGES

The badges for the Congress will only be issued on-site between September 9 and September 13, 2023. The badges must be collected in person.

A confirmation e-mail including a QR code will be issued upon successful completion of registration. With this QR code, along with a valid photo ID, the name badge can be printed on-site in the registration area.

LOST / FORGOTTEN NAME BADGES

Due to the fact, that name badges are treated as official documents (comparable to a flight ticket, theatre ticket etc.) and are not transferable, please note, that lost or forgotten name badges have to be purchased new for the full price at the registration desk.

NAME CHANGES

Name changes will not be accepted! EANM offers an extensive cancellation insurance package for unforeseen circumstances, bookable through the online registration platform.

WRONG REGISTRATION TYPE

In case of overpayment due to choosing the wrong registration type no refund will be granted. In case of registering within a wrong registration type (lower fee due to wrong ticket type) the correct ticket type will automatically replace the wrong registration and the respective higher price will become applicable.

CANCELLATION OF REGISTRATION

Any cancellation must be notified in writing to the registration department of the EANM: EANM Registration, Schmalzhofgasse 26, 1060 Vienna, Austria. E-mail: registration@eanm.org. In the event of cancellation until June 29, 2023, a refund of your registration fee minus a charge of €100 for administrative proceedings will be made after the Congress. Any cancellation received after June 29, 2023 will not be accepted (i.e. 100% cancellation fee). The EANM offers an extensive cancellation insurance package for unforeseen circumstances, bookable through the online registration platform.
PAYMENT OF CANCELLATION / ADMINISTRATIVE FEE

With your registration, you authorise the organiser to charge any occurring registration cancellation/administrative fees (under the terms and conditions explained in this registration process) to your given credit card.

LIABILITY

Should technical reasons beyond the control of the organisers make any changes necessary, EANM cannot be held responsible.

Furthermore, the EANM cannot be held responsible for any loss, injury or damages to any person or property, whatever the cause may be. The liability of persons and enterprises providing means of transportation or other services, however, remains unaffected. The participant(s) take(s) part in any tour and trip at their own risk. Only written arrangements are binding. The sole congress venue is Vienna. With your registration, you authorise the organiser to use all registration data given in the registration form for the computerised handling of the Congress and further communication with all respective suppliers. Austrian law shall apply, and the place of jurisdiction is Vienna.
**CALL FOR ABSTRACTS**

The deadline for abstract submission is April 25, 2023. For all related information, please follow the Abstract Submission Guidelines on the congress website [eanm23.eanm.org](http://eanm23.eanm.org). Authors will be notified about the acceptance of abstracts by e-mail on June 21, 2023.

**CANCELLATION & INSURANCE**

Conference Cancellation or Postponement

The EANM accepts no liability if an event is cancelled or postponed for reasons beyond its reasonable control resulting from an act of God, governmental regulation, fire, war, terrorist activity or civil commotion. If the EANM elects to re-schedule the conference, all registrations and additional items are automatically rolled over to the new dates of the conference. If the EANM elects to cancel the event, the liability is limited to a refund of registration costs, subject to fees and conditions. The EANM will not refund any travel costs associated with the cancellation of the event. Accommodation pre-payments will be refunded subject to the terms and conditions of the hotel.

Insurance

Delegates are strongly advised to secure appropriate travel and health insurance. Delegate registration fees do not provide any such insurance coverage. The EANM accepts no responsibility or liability against cancellations of bookings, loss or or theft/damage of belongings.

As an additional service, the EANM offers the possibility to contract (during the online registration) personal cancellation insurance. The cancellation insurance offered by ‘Europäische Reiseversicherung’ covers up to 100% of your registration fees and hotel cancellation fees in the event of your cancellation for any cause provided in the insurance terms.

**CERTIFICATE OF ATTENDANCE**

Certificates of Attendance will be available in your myEANM-Area area after submission of the overall EANM Congress evaluation.

**CLOSING CEREMONY & FAREWELL COCKTAIL**

All registered delegates and accompanying persons are cordially invited to the Closing Ceremony & Farewell Cocktail Wednesday, September 13, 2023, at 11:25–12:15.

The Closing Ceremony will be held at Hall A in the ACV – Austria Center Vienna – and the subsequent Farewell Cocktail in the Foyers of Level 2 (red level).

**CME CREDITS & CERTIFICATES**

To acquire CME credits, attendees are required to scan their congress badge upon the first arrival at the congress venue as well as upon entrance into each CME session. For CME sessions, an evaluation form for each session attended, as well as the overall congress evaluation must be completed. CME Sessions will be streamed live and are also available on demand after the Congress.

**CONGRESS APP**

The EANM will again provide a Congress App in 2023 which will include all relevant scientific information. Further details will be released closer to the congress start.
COVID-19 SAFETY PROTOCOL

The entrance rules will be handled according to the national requirements in Vienna in September 2023. Currently, Austria has no restrictions regarding congress attendance.

CONGRESS BAG

The EANM decided to not offer congress bags anymore following your requests in the survey for more sustainability.

CONGRESS e-POSTER AREA

As every year, the e-Poster Area gives you the possibility to see all uploaded e-Posters of EANM‘23. You can search for authors, topics and keywords.

CONGRESS LANGUAGE

The congress language is English. No simultaneous translation will be provided.

CONGRESS OFFICE

The congress office at the ACV – Austria Center Vienna will be open during the following days and times:

<table>
<thead>
<tr>
<th>Day</th>
<th>Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Saturday, September 9</td>
<td>07:30–18:00</td>

INTERNET CORNER

Internet access and limited printing possibilities will be provided at stations within the industry exhibition. Please limit the viewing time to max. 5 minutes per person.

MUSEUMS

There are many different museums in Vienna. For prices, opening hours and current Covid-19 regulations, please refer to the hotel reception or any tourist information.
OPENING CEREMONY & WELCOME RECEPTION

All registered delegates and accompanying persons are cordially invited to the Opening Ceremony & Welcome Reception Saturday, September 9, 2023, from 18:00-21:45.

The Opening Ceremony including the Highlights Lecture will be held in the Hall of the ACV – Austria Center Vienna – and the subsequent Welcome Reception will be in the Foyers on Level 2 (red level).

Austria Center Vienna (ACV)
Bruno-Kreisky-Platz 1
1220 Vienna, Austria

PARKING

Private cars can be parked at additional cost in the parking areas of the Austria Center Vienna. The costs for a day are €15.00 for one day, €25.00 for two days, €35.00 for three days or €45.00 for a week pass. Further information can be found on the website of the ACV: www.acv.at

PUBLIC TRANSPORTATION TICKET

In Vienna, no complimentary or reduced Public Transportation Tickets can be offered. You can buy the tickets either on the ‘Wiener Linien’ homepage online, or at ticket machines, which can be found in each metro station in Vienna. Please find further information on www.wienerlinien.at/web/wl-en/tickets.

Please note that this ticket is non-refundable and neither ENITED nor the EANM are responsible for the purchase of public transport tickets. All enquiries should be directed to the municipal public transport provider Wiener Linien.

REGISTRATION DESK

The registration desk at the entrance level of the ACV will be open:

- Saturday, September 9, 2023: 07:30-21:45
- Sunday, September 10, 2023: 07:30-18:00
- Monday, September 11, 2023: 07:30-18:00
- Tuesday, September 12, 2023: 07:30-18:00
- Wednesday, September 13, 2023: 07:30-12:00

If you have any questions, please contact the Online-Ticketshop-Team at ticketshop@wienerlinien.at or call the hotline +43-1-7909-100.

REVIEW CENTRE

The Review Centre gives you the opportunity to check the presentations slides which have been already presented during EANM’23. In case you have missed a session, you can review the slides here afterwards.

All foreign visitors entering Austria must possess valid passports. For citizen from the European Union Member countries, a valid identity card is sufficient.

Please check the current visa requirements with the nearest austrian consulate/embassy in your country before your departure to Austria.

All registered congress participants with a completed/paid registration can download a visa invitation letter within their myEANM-Area!

WIFI

Free WIFI will be available at the EANM’23 Congress.

SCHEDULE

Saturday, September 9, 2023:
07:30–21:45

Sunday, September 10, 2023:
11:00–16:00

Monday, September 11, 2023:
11:00–16:00
Meet with the EANM Policy & Regulatory Affairs Committee

Bringing the voices and experiences of Nuclear Medicine healthcare professionals into European negotiations and debates.

Sharing our expertise and perspectives to inform policymaking better.

Join us at EANM’23 to discuss European Policy & Projects

Radiopharmaceuticals for all
Supply & shortages: equal access to radioisotopes and the European Radioisotopes Valley Initiative

EU legal framework for radiopharmaceuticals
Nuclear medicine challenges & opportunities in the EU legislation

The SIMPLERAD project
Advancing coherent implementation of European legal requirements for therapeutic nuclear medicine

Join us on September 12, 2023 at 15.00 in Hall G1

Should you wish to help us in shaping the future of nuclear medicine, get in touch with us: www.eanm.org/advocacy/eu-related-activities, or via e-mail: euaffairs@eanm.org
AIRPORT & ARRIVAL INFORMATION

AIRPORT

The Vienna airport is located 25 km south of the city. It takes approximately 25–35 minutes by car to the city centre. Some low-cost airlines fly to the nearby Bratislava airport, located about 1 hour drive from Vienna.

Vienna Airport is very well connected to the city and traffic is seldomly a problem. There are buses, trains, express trains and taxis around the clock. For a quick overview on schedules and transportation, please check the Austrian Federal Railway website (www.oebb.at/en/ – use the menu button ‘Timetable’).

CITY AIRPORT TRAIN (CAT)

By City Airport Train (CAT): This express train connects the airport with the city centre on a non-stop ride. The CAT operates from the airport 06:08–23:38 and from the city 05:37–23:07 every 30 minutes. It takes 16 minutes to Landstrasse/Wien Mitte (connection metro U3 and U4).

Ticket vending machines can be found at the airport’s luggage hall or in the CAT stations. Costs at the ticket vending machines are €14.90 for a single ticket and €24.90 for a two-way ticket. You can buy a two-zone ticket for €4.30 that will be valid for 90 minutes, including commute to any metro, bus or tram within Vienna. The ticket can also be bought at the staffed ÖBB counter at the luggage hall or at the ticket vending machines at the stations. www.cityairporttrain.com/en/home

TRAIN (ÖBB)

Several regional trains stop at the airport. Every 30 minutes there is one to the city centre (stop in Landstrasse/Wien Mitte, connection metro U3 and U4) or to the main train station (stop Hauptbahnhof, connection U1). You can buy a 2-zone ticket for €4.30 that will be valid for 90 minutes, including commute to any metro, bus or tram within Vienna. The ticket can also be bought at the staffed ÖBB counter at the luggage hall or at the ticket vending machines at the stations. fahrplan.oebb.at/bin/query.exe/e

BUS

The airport bus takes about 20 to 40 minutes depending on traffic and final destination. There are three lines (VAL 1–3). VAL 1 & VAL 2 depart every hour and VAL 3 every two hours from the airport bus terminal, towards different city destinations. VAL 3 has a stop at the congress centre.

Ticket vending machines can be found at the airport’s luggage hall or in the CAT stations. Costs at the ticket vending machines are €14.90 for a single ticket and €24.90 for a two-way ticket. www.cityairporttrain.com/en/home

One-way tickets cost €9.00, and two-way tickets are €15.00. You can buy a ticket on the bus itself. For more information, please visit: www.viennaairportlines.at/en/

TAXI

When leaving the nearest halls, please look for the signs for the nearest taxi stand. An average journey by taxi from the Vienna Airport to downtown takes about 20–30 minutes and costs approx. €35.00 + €45.00 one-way (incl. surcharge for the luggage, three people max.).

Only for the return transfer towards the airport, can you ask for an ‘Airport Taxi’ (or German ‘Flughafentaxi’). Depending on your pick-up point the taxi company will give you immediately the fixed price.

Phone numbers of main taxi companies:
+43 1 40100 or +43 1 31300.

BY PRE-BOOKED TRANSFER

To book a transfer in advance is highly recommendable and the companies will offer you fixed rates of around €35.00. Recommended agencies are:

» Airport Transfer Service (ATS) www.ats-vie.com/en/index
» Airport Driver www.airportdriver.at/en
» Vienna Airport Cab www.vienna-airport-cab.at/index.php/en/

PUBLIC TRANSPORTATION

Public transportation is by far the easiest way to get around the city. The Vienna buses, trams and subways are quick, cheap and all-around excellent. Friday to Sunday the metro services are 24h. Please make sure to carry a valid ticket! Conductors do not hesitate to fine anyone €105 without a valid ticket (being a tourist is not a valid excuse). Ticket machines can be found in each metro station.

In Vienna, no complimentary or reduced Public Transportation Tickets can be offered. You can buy the tickets either on the ‘Wiener Linien’ homepage online, or at ticket machines, which can be found in each metro station in Vienna. Please find further information on www.wienerlinien.at/web/wl-en/tickets.

Please note that this ticket is non-refundable and neither ENITED nor EANM are responsible for the purchase of public transport tickets. All enquiries should be directed to the municipal public transport provider Wiener Linien.

If you have any questions, please contact the Online-Ticketshop-Team at ticketshop@wienerlinien.at or call the hotline +43-1-7909-100.
ACCOMMODATION INFORMATION

GENERAL INFORMATION
The official housing agency ENITED has reserved various categories of rooms in centrally located hotels with easy access to the public transportation system. Rooms will be assigned on a first-come, first-served basis. Early booking is highly recommended.

Room rates are quoted in Euro (€) per room/ per night including breakfast and 10% local VAT.

All quoted rates of this congress room allotment are offered with the following ‘Best Price Policy’: If you should find any lower rates, which are comparable in terms & conditions with the official EANM rates and offered directly by the hotel(s) own website(s), we will do our best to match and offer the same lower rates.

BOOKING PROCEDURE
Hotel reservations are to be made through the online registration platform on eanm23@eanm.org or through myEANM-Area myeanm.eanm.org/

Upon submitting your credit card details (type of card, cardholder’s name, card number, expiry date and CVC code) during the online booking, the total amount of your stay will be directly charged to the submitted credit card. An invoice as well as the booking confirmation, will then be automatically sent to the e-mail address you have entered while making the reservation.

Pre-payment via bank transfer
If you are not able to book your room online, or in case you do not have a credit card available, please contact ENITED (eanm23@enited.eu), they will reserve the room for you and send you instructions on how to pay the bill via bank transfer. The money must be transferred to the account provided on the hotel invoice ad a full pre-payment is required. After receiving the payment, ENITED will send you a payment confirmation with all hotel details, which will also serve as your hotel voucher.

LIABILITY
Should technical reasons beyond the control of the organisers make any changes necessary, they cannot be held responsible. The organisers are acting as agents and cannot be held responsible for any loss, injury or damages to any person or property, whatever the cause may be. The liability of persons and enterprises providing means of transportation or other services, however, remains unaffected. The participant(s) take(s) part in any tour and trip at their own risk. Only written arrangements are binding. The congress city is Vienna. With your registration, you authorise the organisers to use all registration data given in the registration form for the computerised handling of the Congress and further communication with all respective suppliers. Austrian law shall apply, and the place of jurisdiction is Vienna.

ROOM AVAILABILITY
Rooms will be assigned on a first-come, first-served basis. Should your chosen dates or room type not be available online, please contact ENITED Business Events at eanm23@enited.eu.

GROUP BOOKINGS
For information on the procedure for a hotel group booking, please contact ENITED Business Events at eanm23@enited.eu.

CANCELLATION OF ROOM RESERVATION:

Individual bookings
In the event of a cancellation of your room reservation, please keep in mind the following dates:

- Until April 9, 2023: no cancellation fee / free of charge
- After April 9, 2023: 100% of the reserved stay will be charged (see note below)

Please note: in the event of a room cancellation after the deadline, ENITED Business Events and the hotel will try to re-sell the cancelled room to avoid charges. If this cannot be done, we will proceed to charge 100% of the reserved stay.

Group bookings/allotments
Conditions for reservations for over five rooms/ persons are considered as group reservations and will be dealt with by ENITED. A separate contract with the corresponding conditions for cancellation and a reduction will be issued at the time of the reservation.

NO-SHOW
Any no-show at any of the hotels mentioned on the EANM congress list, will charge 100% of the reserved room nights as a penalty fee.

LIST OF HOTELS
The mentioned rates are valid for 2023 in Euro (€) per room/ per night, including breakfast and VAT. Hotels also include WiFi. The location of the hotels can be seen by clicking on the link Hotel Map.

All room requests will be handled on a first-come, first-served basis and are subject to availability and final confirmation.

HOTEL DESCRIPTIONS

CATEGORY 4 STAR SUPERIOR

1. INTERCONTINENTAL VIENNA

- **DISTANCE TO THE CONGRESS VENUE:** 20 minutes by metro
- **DIRECTIONS:**
  U4 from ‘Stadtpark’ to ‘Schwedenplatz’, change to U1 to ‘Kaisermühlen VIC’
- **PRICE PER ROOM PER NIGHT, INCLUDING BREAKFAST AND VAT:**
  - Double Single Use: €399.00
  - Double Room: €429.00

Located in the heart of Vienna, facing the Stadtpark, the InterContinental Wien, is close to all the city’s sights and only a few steps away from the Stadtpark metro station. All rooms at the InterContinental Wien feature state-of-the-art technology, such as flat-screen TVs, high-speed internet access and digital TV. Rooms for guests with health conditions or impairments are available on request. International specialties and traditional Viennese cuisine are served in the Restaurant Parlor. Coffee, tea, and Viennese pastries can be enjoyed at Café Vienna. In the evenings, a wide range of whiskeys and cocktails can be enjoyed with live music at the Intermezzo Bar. Other features of the hotel include a state-of-the-art fitness centre open around the clock, underground car park, a 24-hour business centre, and 24-hour room service.

2. MELIÁ VIENNA

- **DISTANCE TO THE CONGRESS VENUE:** 10 minutes on foot
- **DIRECTIONS:**
  - Price per room per night, including breakfast and VAT:
    - Double Single Use: €385.00
    - Double Room: €414.00

Set in Austria’s tallest skyscraper, this upscale business hotel is the closest to the congress centre ACV and six metro stations away from St. Stephen’s Cathedral. The sophisticated rooms and suites feature floor-to-ceiling windows, flat-screen TVs, desks, as well as free Wi-Fi and complimentary Nespresso coffee machines. Suites add sofas and tubs; some have boardrooms, living rooms and saunas. Club-level rooms offer 24/7 room service. Satellite Symposium | Session 3 | Room F2
Sunday 10 September at 13:15-14:30

Chaired by Frederik Barkhof
Join our symposium on the cutting-edge advances in PET imaging in the new era of disease modification in Alzheimer’s disease.

Program
- Introduction
- Role of PET imaging in the disease modification era of Alzheimer’s disease
- Advances in AD PET biomarkers
- PET tracers: Which, when, how, who?
- Q&A
- Summary

Educational objectives
- Explain the critical role of PET imaging in the new era of disease modification of Alzheimer’s disease
- Appraise the utility of current and emerging PET biomarkers in clinical practice
- Identify patterns from different PET tracers for a negative and positive AD brain and debate methods beyond binary amyloid PET interpretation

Faculty
- Frederik Barkhof
  Amsterdam UMC, The Netherlands and University College London, UK
- Silvia Morbelli
  University of Genoa, Italy
- Alexander Drzezga
  University of Cologne, Germany
- Lyduine Collij
  Liestal University, The Netherlands
- All
